

INVESTING IN IROQUOIS VALLEY THROUGH A TAX-DEFERRED ACCOUNT SUCH AS IRA OR 401(K)

Iroquois Valley has enjoyed significant support from investor's tax-deferred accounts since inception. The long-term nature of farmland investment is a natural match for the time horizon of most retirement accounts. Please see a list of third-party custodians investors can use to invest in Iroquois Valley through a tax-deferred account. Please note that this list is for the convenience of investors and does not constitute endorsement, recommendation, or support by Iroquois Valley. Fees are subject to change and based on information available as of the date above. Fee schedules are available from Iroquois Valley by request, but fees may be unique to each investor. **If you have any questions or would like an introduction please reach out to coordinator@iroquoisvalleyfarms.com.**
